Reflection Questions

As we prepare for Good Friday it is good to search our hearts and reflect.

1. When we remember the people we can ask, 'Will we honor Jesus today, but deny him tomorrow?'

2. When we remember the Temple we can ask, 'Has the love of God been replaced or choked by idols in our heart?'

3. And when we remember the religious leaders we can ask, 'Has our hearts become hard to the work of God?'
